CHRIS DUFFY

Member of the Month

About me...

New to BEWET, Chris is no stranger to organizing trips for the REACH leadership team. Chris is the VERY FIRST member of the month thanks to his help in coordinating what might be the BIGGEST trip of the year! When he's not coordinating trips, you might find him hiking, backpacking, snowboarding, bouldering, or playing ultimate. When you see him on a BEWET trip, be sure to give him a big high five, 12oz can of thankfulness, or a blast from a squirt gun!
