## WEATHER FORECAST

# Featured Member of the Month **YOSLIN HERRERA**

A member since 2019, Yoslin has been on almost every river BEWET offers it's members! A born and raised Arizonan, this desert rat can't stay away from the water!

Yoslin got into river rafting in college, got hooked after rafting the San Juan from Bluff to Mexican Hat, and got into white water in 2016, after completing Canyon Run with Denali Raft Adventures. The best river run she's ever done? Although more of a float than white water, the Colorado River's Horseshoe Bend.

Nickname: Yoz! Also Yozzy, Wizard of Yoz, Yozzy Yozborne, Lil Yozzy

# IAN HOFFMAN

Recognized by his beard, laugh, or homebrew, this handyman is a staple to BEWET! Ian held the Presidential position on the chair, and also somehow held onto his seat when he ran a waterfall in a raft by himself!

Ian has been dominating river after river as a guide, oarsman, packrafter, and happy river mate !

When not rafting, he is building things for his lovely home, wife, and their two kitties.
